

Council of Student Organizations

De La Salle University – Manila

The **Council of Student Organizations (CSO)** is the union of 40 accredited student organizations, categorized as professional, special interest and socio-civic organizations, of De La Salle University – Manila. Since its founding in 1974, the Council has continuously delivered quality student services and produced outstanding student leaders dedicated to serving the LaSallian community.

To support the preparation, implementation and documentation of the activities of the accredited organizations, seven Executive Teams work under the supervision of the CSO Executive Board. The CSO Executive Board also serves as the coordinating body of the Council and oversees the implementation of university-wide activities (also called Ad Hocs) participated in by the different organizations. These activities include the Frosh Welcoming (FW), Annual Recruitment Week (ARW), the Lasallian Excellence Awards (LEA), and the Lasallian Enrichment Alternative Program (LEAP) which is a joint venture of the Student Council and the Council of Student Organizations.

CSO – Executive Teams

Documentations Team

The Documentation Team is responsible for ensuring the proper documentation of minutes of important meetings and the compilation and safekeeping of post-activity documents of organizations.

Activity Processing and Stamping Team (APS)

The Activity Processing and Stamping Team is the executive team of the Council of Student Organizations that approves selected on-campus activities, processing of pre-activity requirements and facilitating the stamping of all publicity materials of all accredited organizations.

Research and Development Team (RnD)

RnD is the heart of the council of Student Organizations. The team is responsible of ensuring that the Council and the organizations are at its best. Through factual and unbiased analysis, the team is able to increase transparency and accountability of information.

Activity Monitoring Team (AMT)

The Activity Monitoring Team works to maintain the quality of activities of student organizations through giving concrete but helpful criticisms based from the evaluation of each activity of the organizations.

Publicity and Marketing Team (P&M)

The Publicity and Marketing Team takes charge of the publicity materials of the Council, the CSO official website and the CSO official newsletter. The team also handles the sponsorships of the Council's major activities. It also provides assistance to the organizations regarding publicity and marketing when requested.

Civic Awareness and Responsibility (CARE)

By the name itself, this team cares. The Civic Awareness and Responsibility Team take care of our less-fortunate brothers and sisters in depressed communities by undertaking community service and outreach programs.

Budget Team

A fertile ground for training in managing and auditing money matters, the Budget Team is an executive branch vital in ensuring the quality and reliability of the financial statements of each organization.

NKK fosters mutual understanding in building bridges of friendship between the Filipinos and the Japanese. It is a channel for interested students to learn about the different aspects of Japanese culture, traditions, customs and its people.

Political Science Society (POLISCY)

POLISCY is for those interested in learning more about the socio-political and economic structures in our society. It aims to develop students into active, critical, progressive, and nationalistic citizens working towards the attainment of a free, peaceful, just, equitable, and prosperous Philippine society.

Samahan ng mga Mag-aaral sa Sikolohiya (SMS)

Samahan ng mga Mag-aaral sa Sikolohiya, the official Psychology organization of De La Salle University- Manila (DLSU-M), seeks to unify the Psychology community by catering to their interests and needs. It promotes Sikolohiyang Pilipino and aims to further develop Psychology as a discipline in DLSU-M by providing talks, seminars, symposia, socio-civic

events and activities to students.

Students of Philosophy in Action (SoPhiA)

The organization envisions a community of individuals who are critical thinkers, open to liberal thoughts, intellectually honest, and appreciative of the mysteries of human existence. Its mission is to initiate opportunities, to build unity among its members, and to encourage greater appreciation of Philosophy.

Team Communications (TEAMCOMM)

This professional organization for Communication Arts and Organizational Communication majors seeks to hone the creative talents and technical skills of its members by exposing and involving them in the production of various forms of media. It aims for the development of its members to become competent professionals as well as effective leaders.

Liga Historia

Liga Historia helps provide students with a wider perspective of things by inculcating in them a profound interest and understanding of the human past, geared at the preservation and cultivation of knowledge. The organization endeavors to initiate activities that are responsive to the needs of the society and country, hence instilling in the students a genuine and unwavering sense of pride in their own nation's culture, heritage and identity.

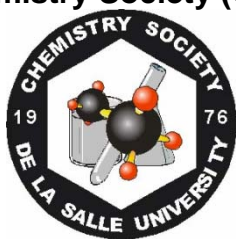

Dalubhasaan ng mga Umuusbong na Mag-aaral ng Araling Filipino (DANUM)

Ang DALUBHASAAN NG MGA UMUUSBONG NA MAG-AARAL NG ARALING FILIPINO ay binubuo ng mga kabataang pinanghahawakan ang paniniwalang sila ang mangunguna sa pagbabago, hindi lamang sa larangan ng midya kung hindi maging sa bansang Pilipinas. Sila rin ang muling bubuhay sa kahalagahan at magpapayaman sa kulturang Pilipino. At sa huli, nais nilang itaguyod ang wikang Filipino bilang isang makapangyarihang wika.

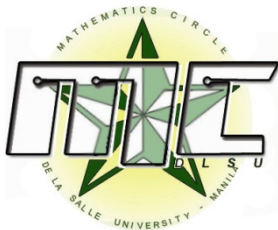

College of Science (COS) ASO – Alliance of Science Organizations

Chemistry Society (ChemSoc)

CHEMSOC dedicates itself to serving, first and foremost, the Lasallian community. For the past four years, it has established its testament of excelling in the field of chemistry.

Mathematics Circle

The DLSU Mathematics Circle is a professional organization that primarily aims to bring out the mathematical interests and skills of its members by implementing activities that challenge the students' competence in the field of Mathematics and Statistics. These activities also offer opportunities for students to practice their critical thinking in decision making. With these in mind, the Circle envisions excellent Lasallians, scientists, and leaders by promoting mathematical research, math appreciation, membership involvement and nation building. Through these missions, the Circle aims to bring the best out of each student.

Physics Society (PhySoc)

United International Student Organization (UNISTO)

UNISTO is focused on the rights and development of International Students studying at De La Salle University - Manila. Its goals are to further awareness of the International Student population to the students, faculty and personnel involved with DLSU while forming camaraderie among International and Filipino students. Through celebration of all represented cultures and exploration into the foreign culture that its members reside in, UNISTO hopes to further the spirit of respect and multiculturalism that transcends beliefs and nationality.

Special Interest Organizations (Spln Orgs)

AIESEC - DLSU

AIESEC De La Salle University hones its members by through an integrated global learning experience better known as the AIESEC experience. This training includes the exchange program, leadership opportunities and participation in a global training environment such as international conferences. AIESEC believes everyone possesses the potential of being a leader and through AIESEC it is up to you to discover and develop your skills.

AIESEC offers its members activities ranging from team building, social activities and seminars to inter-school, national and international conferences. These activities mold our members to play smartly keeping the essence of a hard worker. Through this a global network will start to grow from you. From dealing with exchange participants from other countries to being an exchange trainee sent elsewhere, it is a challenge up to you to take. Thus if you want to step up and take this challenge, this is what you need.

MooMedia

Moomedia is an organization geared towards providing quality venues for students of the Lasallian community to learn, appreciate, and understand digital arts and multimedia technology. Through our various, exhibits, seminars, and hands-on workshops on different multimedia authoring software, students are able to keep up with the evolving nature of animation and digital media technology.

Outdoor Club (OC)

Go beyond your wildest dreams, explore with the Outdoor Club. Experience mountain climbing, rapelling, spelunking, wind surfing, river trailing, swimming, scuba diving, cycling, fishing, and many more.

Philippine Students for the Exploration and Development of Space – PhilSEDS

PhilSEDS is a chapter of the larger student run organization based in the United States. This chapter aims to increase awareness of the pioneering field that is the space industry, in alignment with the SEDS vision of a space-faring world. The space industry sparks discovery and advancement in technology across all fields of study.

Barely a percentage of that information reaches the students of the Philippines but if we open a channel with that world, we can find new ideas to inspire our students and tap their imagination, pushing them to think beyond limits and to be truly innovative.

Writers' Guild (WG)

"More than words..."

Writers' Guild aims to generate an initiative for writing within its members by providing ways for them to learn to appreciate writing through honing their literary writing skills as well as incorporating technical and course related writing.
